On December 16, 2017, the agency received a report regarding neglect of a 1-year-old male and 13-year-old female. The children were present during a homicide and suicide in their home. Law enforcement was contacted and initiated a criminal investigation. No criminal charges were filed, as the assailant is deceased. The children were not physically injured and were not in need of medical attention.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect to the children by an unnamed maltreater.
