**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On December 4, 2018, the agency received a report regarding neglect to a 13-year-old child brought to the hospital with injuries to his head. Medical personnel determined the injuries were non-accidental in nature. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation the father was arrested and criminally charged with Child Abuse-Intentionally Cause Harm and Chronic Neglect of a Child (Consequence is Great Bodily Harm). A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect and physical abuse to the child by the father. The child and his siblings were deemed unsafe, taken into Temporary Physical Custody, and placed with relatives. A Child in Need of Protection or Services Petition was filed and the case remained open to provide ongoing case management services.
