**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On June 12, 2021, the agency received a report of an egregious incident that occurred on June 11, 2021, involving a 2-year-old child being exposed to a dangerous situation. Law enforcement was contacted and initiated a criminal investigation. It was determined that a medical examination of the child was not necessary. No criminal charges related to the child have been filed, and the investigation remains open.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect of the child by the child's mother. The agency completed a Protective Plan under which the child was cared for by a relative. Upon the completion of the Initial Assessment, the agency deemed the child safe in the relative's home and terminated the Protective Plan. The child's 17-year-old half-sibling was determined safe in the care of a non-relative family where she had already been residing at the time of the incident. The family was referred to community services, and the agency closed the case upon completion of the Initial Assessment.
