Child Information (at time of incident)

Age: 8 months Gender: Female Male

Race or Ethnicity: African American/Black

Special Needs: Complex physical care needs.

Date of Incident: 07/14/23

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On July 14, 2023, the agency received a report regarding an 8-month-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. Medical professionals determined the injuries were non-accidental in nature. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect of the infant by the mother. The infant and his siblings were deemed unsafe and taken into Temporary Physical Custody. Upon discharge from the hospital, the infant was placed in a treatment foster home and the infant's siblings were placed with the father, who was assessed as protective. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.
