SYNC	<p>45954:</p> <ul style="list-style-type: none"> ▪ SYNC Providers would review, and update provider-level data contained in eWiSACWIS. ▪ eWiSACWIS would suggest potential provider matches on the Congregate Care Referral based on an algorithm based on type of provider needed and the providers capacities. ▪ Functionality is added to finalize Congregate Care Referrals at the time the Out of Home Placement is made.
-------------	---

Topic	Description
	

- Geographical Placement Resource (GPR) page is utilized to search for and retrieve providers to the Congregate Care Referral page.

<p style="text-align: center;">Kinship</p>	<p>45955:</p> <ul style="list-style-type: none"> ▪ Modifications were made to the Kinship Care Eligibility, Kinship Eligibility Determination pages that impact all future work. ▪ The existing Provider and Child tabs that contain several questions and sub questions in the Kinship Initial Determination page will be combined to an “Eligibility Information” tab that has far fewer questions related to both the Child and Provider.
---	---

- A new Eligibility Status of “Withdrawn” is added to allow Child Welfare Professionals to document withdrawn Kinship Determination applications per provider’s request.
- Child Welfare Professional would override the status by checking the new “Override Decision” checkbox.
- Child Welfare Professionals would copy over from the child’s most recent “Withdrawn” and “Not Eligible” Kinship Initial Determination when creating a new Determination for any given child at the same provider.
