

eWiSACWIS: No, We're Not There Yet, and Please Stop Pinching Your Sister!

(The Wisconsin Human Services Financial Management Workshop)

1. **The Knowledge Web:**

There's nothing fun on it, but you won't get fired for going there either!

- The Financial Manual
- Rates
- Other Materials
- Questions

2. **Financial Super-User Meetings:**

You don't get to wear a cape, but it is a reason to get out of the office!

- They are happening!
- Questions?

3. **Financial Interfaces:**

No – You can't push back to next year! No - There isn't any more money, but you do get a pat on the back when yours is complete!

- Where are we at?
- What should you be doing to prepare?
- Reporting Categories
- Payee Name Changes
- Questions?

4. **The “Release Functionality”:**

It's here to help relieve the tension . . .

- What does it do?
- Why are counties adopting this functionality?
- Can I turn it off if I don't like it?
- Questions?

5. **Checks and Payments Maintenance Page:**

If you're not using this page then you aren't cool!

- Using as a query tool
- Using to update multiple pieces of work with a single action.
- Using to copy payments
- Using to link payments to “pending checks”
- Questions?

6. **Other Changes**

Is it HOT up here?

- Levels of Care (LOC).
- Clothing Allowance Increase.
- CLTS Waiver Documentation.

7. **Open meeting to other questions:**
