

Documenting Use of Shelter and Secure Detention in eWiSACWIS:

PAW/TAW Placement Manual Session

April 19, 2006

9:00-10:00 AM

- *Welcome*
- *Overview of Documentation Requirements and Rationale for New Requirements*
 - Distinguish use of shelter and detention facilities as placements versus services via Ops Memo 2006-01
 - Establish and promote consistency in placement documentation from county to county, from case to case, from child to child
 - Support accuracy of key placement related reports used by the state and by local agencies to monitor performance and placement or service trends, including federal Re-entry, Time to Reunification and Placement Stability outcome reports
 - Support accuracy of the state's Adoption and Foster Care Reporting Analysis System (AFCARS) data used by the federal Children's Bureau
- *Review of Required Placement and Appropriate Service Documentation*
 - Out-of-Home Placement (OHP) page
 - In-Home Service (IHS) page
 - Updated eWiSACWIS Placement Documentation Manual (Introduction and Shelter and Detention "How Do I" Guides)
- *Technical Changes Associated with Required Placement and Appropriate Service Documentation*
 - Service Category, Service Type, Placement Status (OHP page) and Status (In-Home Service)
 - Paid and Non-Paid Service Types
 - Linking New Service Types to Providers
 - Inactivating Pre-existing Service Categories (June 2006 Maintenance Release)
- *Effective Date of New Documentation Requirements and Upcoming Training and Technical Assistance*
 - New Placements or Services where the placement begin date is on or after 2/13/06
 - Role of Regional Offices- Request Regional Meetings (Fiscal and Program Sups) and Individual County Consultation
 - Role of OPEP and eWiSACWIS Helpdesk
- *Other Issues and Next Steps*
