- If a participant has been deactivated in the case, the participant will appear in the Inactive Participants group box. On the Maintain Case page, each inactive case participant is listed under the Inactive Participants expando on the Participants tab. Click on the Inactive Participants expando to view the inactive participants. Except for the deactivation reason of TPR, a ReActivate hyperlink appears on the participant's row. To reactivate a participant, click on the ReActivate hyperlink to open the Participant Status page.
