

KIDS Data Comparison

1. The KIDS Data Comparison page is accessed from the Basic tab of the Person Management page by selecting the KIDS Data Comparison hyperlink. The hyperlink will only display when eWiSACWIS has received verified data from KIDS:
 - a. Click the KIDS Data Comparison hyperlink. This will open the KIDS Data Comparison page.

The screenshot shows the 'Person Management' interface for 'Smith, Joe L.' with ID 6039007. The 'Basic' tab is active, displaying various personal and demographic fields. A red arrow points to the 'KIDS Data Comparison' hyperlink located in the 'Basic' section. The 'Adoption Information' section is also visible at the bottom.

- b. On the KIDS Data Comparison page, the column on the left will display the Name, SSN, DOB, and most recent address information captured in eWiSACWIS. The second column will contain the **verified** data received from KIDS.

eWiSACWIS receives, via a nightly process, data which has been verified by KIDS for any children and/or parents that have been previously referred to KIDS through the eWiSACWIS placement process.

The 'Parents Info' expando will reveal whether KIDS Data exists for either of the parents. If data exists, a message will direct you to the parent's Person Management page:
