

Attention: Indian Child Welfare Supervisor

Dear  ,

As a follow-up to our phone call, I am enclosing a child maltreatment referral that was received by  County Department of Human Services on  . We have screened out the referral because it does not appear to rise to the level of abuse or neglect or threatened maltreatment as defined by statute. Because this child may have an affiliation with your tribe or band, we felt it important to advise you of the report and our decision to screen it out. 

Please feel free to call me at  if you have any further questions regarding this case.

Sincerely,

County Department of Human Services
