

The Time Limits Report 01: Expiring Time Limits and Time Limits Report 01: Expiring Time Limits - 48 Month Transition Reports have been modified. The following changes were made to these reports:

- An error message that was appearing has been removed and the underlying problem corrected.
- A Cover Page was added describing the report in detail.
- Additional report information was added to headers and footers.
- The Case Confidentiality Flag was added to the tables.
- A few columns were re-arranged to be more consistent in the Raw Data Export table.
- The required input prompt (the WP W-2 Contract Agency) now appears at the top of the list of input prompts when the report is opened or refreshed.

These reports are located in the Employment Programs/W-2 Monitoring/Application and Assessment folder.
