

Initial Licensing Checklist – Group Child Care Centers

Use of form: Use of this form is mandatory under DCF 251.11(2). **(1) WCCIP TA** – This checklist is used by the WCCIP TA to detail the results of the pre-licensing technical assistance. **(2) Applicant** – This checklist is used by the applicant to indicate the center is in compliance with all applicable requirements and to present the results of the pre-licensing technical assistance. The checklist constitutes one part of a complete application, and failure to submit it to the department may result in denial of your application. **(3) Licensing Specialist** – The Licensing Specialist uses this checklist during the initial licensing visit to determine whether the applicant meets the requirements to receive a probationary license.

Instructions: **(1) WCCIP TA** – The Wisconsin Child Care Improvement Project Child Care Technical Advisor completes the WCCIP TA column and signs the checklist at the end of the pre-licensing process. **(2) Applicant** – The applicant for an initial license completes the Applicant column and signs the checklist not more than 14 days prior to submitting it along with the other application materials to the Department of Children and Families (DCF). **Note:** If the Licensing Specialist makes the initial licensing visit and you are not in compliance with all applicable requirements of DCF 251, your application for a license may be denied because you do not meet the requirements for a license. **(3) Licensing Specialist** – The DCF Licensing Specialist completes the Licensing Specialist column and signs the checklist during the initial licensing visit. The checklist is retained in the facility file.
