Instructions for the Emergency Assistance (EA) Application

Overview: You must apply for Emergency Assistance (EA) at the W-2 agency in the county where you live. If your family is homeless, you may apply for EA in the county where you are at this time, or you may apply for EA in the county where your family is moving to for a permanent place to live if that is in a different county. The W-2 agency will provide you with an EA Application.

The time frame for an EA Application is in the same month as when the emergency happens or in the next month.

Once you have completed the Application, the W-2 agency will process your request and issue any payments for which you qualify.

Completing the EA Application: You have the right to complete and sign the Application the same day as you request EA. The W-2 agency will determine whether you are eligible for EA. If you are eligible for EA, the W-2 agency usually will issue payment within five business days of the date you sign the Application.

To complete the EA Application, complete pages 1, 2, and 3 to the best of your ability. A W-2 agency staff person will complete page 4. Please review this page after it has been completed.

The W-2 agency will meet with you in-person. When you come to the W-2 agency, be sure to bring all documents that show relevant information for all Application items (including page 4) such as:

- Social Security Number (SSN) card;
- Pay stubs and other income documents;
- Layoff notice;
- Termination notice;
- Job quit notice (and reason for job quit);
- Receipts for medical expenses not covered by insurance;
- Receipts for vehicle repairs not covered by insurance and other transportation expenses;
- Receipts for any exceptional, unexpected and necessary expenses;
- Receipts for other expenses you report on the EA Application;
- Eviction notice;
- Mortgage foreclosure notice;
- Notice to vacate property; and
- Other relevant documents.

Financial Eligibility: The W-2 agency will add up your expenses and compare it to your income and assets in the month of your EA Application.

Emergency Shelter: EA funds can only be used to pay for temporary shelter in emergencies due to fire, flood or natural disaster. In these situations, EA can pay for temporary shelter and transportation to a shelter.

Permanent Place to Live: For fire, flood or natural disaster, EA funds can be used to pay for temporary shelter and a permanent place to live. For impending homelessness or homelessness, EA funds can be used to pay for a permanent place to live but not for temporary shelter. When EA funds can be used to pay for a permanent place to live, if there is any EA payment amount left over after establishing this permanent place to live, EA can pay for additional household needs typically incurred when establishing a home, for example furniture, household goods, etc.

Signatures and Assurances (page 3 in the Application): A W-2 agency staff person will read through each of these statements with you. This is to make sure you understand each statement and so that you have an opportunity to ask questions. You must initial each statement to show that you understand it.

Penalties for giving false information are defined in Wisconsin Statutes section 49.95. Penalties vary from forfeitures to felony charges of up to a \$10,000 fine or jail for up to nine months or both, depending on the false information.

Fact Finding: You have the right to use the Fact Finding process as a way to resolve disputes. You may request a Fact Finding if (1) the agency does not take action on the EA Application within a reasonable amount of time, or (2) the EA Application amount is not funded in part or whole, or (3) you believe the payment amount was not calculated correctly. The Fact Finding request must be made within 45 days of the agency action that is in dispute.
