Role related to Provider Merge

- Analyze the County usage of providers who currently have provider eWiSACWIS #'s listed on the Group Home and RCC Rate listings
- Identify issues related to providers that need to be addressed. Examples of issues include:
 - Rates being used differ between counties for same provider
 - More than one provider eWiSACWIS # is being used for the same provider name

Role related to Provider Merge (Continued)

- Work with individual counties to resolve issues
- Work with eWiSACWIS Project Team staff to identify the provider eWiSACWIS # for providers that are complex
- Communicate newly identified provider eWiSACWIS # updates to BFS staff preparing the Group Home and RCC Rate listing

Role related to Provider Merge (Continued)

- Continue sending by email, to County contacts, the Group Home and RCC Rate listing. The list is sent approximately the 26th of each month.

Role related to Statewide Rate Maintenance

- Insure that a provider eWiSACWIS # is available for each Group Home and RCC provider
- Update the provider rates and %'s in the eWiSACWIS Statewide Maintenance screen no later than January 15th, 2007
- Communicate to County contacts the 2007 Group Home and RCC rates no later than January 22nd, 2007
