

Medical/ Mental Health

eWiSACWIS Changes to Medical/Mental Health

Medical/Mental Health

- **Why are we changing this?**
 - A result of the Federal SACWIS review
 - Capture this data in one place instead of three
- **What are the benefits of this change?**
 - More medical/mental health information will pre-fill into the Permanency Plan
 - Better security for accessing this information
 - Ability to document more detailed information, and print the information

What Are the Changes?

- **The current Medical/Mental Health page will be incorporated into Person Management**
- **This change also allowed for some reorganizing of the Person Management page**
- **AFCARS page also had a minor change**
- **Conversion of existing Medical/Mental Health records into the new tabs on Person Management**
