Recording a Maltreater Appeal

1. After a Maltreater Appeal has taken place, the results of it should be recorded by accessing Utilities > Maltreater Appeal.

2. The first action that must be performed is a search for the Appellant. Click Search.

3. In our example, Samantha Abelman has appealed. Select the radio button next to her name and click Continue.

The screenshot shows a web browser window titled "Person Search -- Web Page Dialog" with the "eWiSACWIS" logo. The search criteria section includes fields for Last Name (Abelmann), First Name (Samantha), Person ID, SSN, DOB (00/00/0000), Gender, Street, City, and ZIP Code. Below these fields are options for "Incl. AKA", a "Search Precision" slider set to "Med", and a "Sort By" dropdown set to "Alpha". A "Search" button is visible. The "Persons Returned" section displays one result: "Abelmann, Samantha (9225570)". At the bottom right, there are three buttons: "Create", "Continue", and "Close".

4. Click the Assessment ID hyperlink to verify the Assessment is the correct one involved in the appeal.

The screenshot shows a web browser window titled "Appeal Record - Microsoft Internet Explorer provided by DHFS - State of Wisconsin". The page header includes the "eWiSACWIS" logo and navigation links for "Print", "Spell Check", and "Help".

5. Appeals can only be made by and recorded for Substantiated Maltreaters in Approved Assessments. On the Allegations Tab of this Assessment you can verify there are two Substantiated Maltreaters for Abuse/Neglect (A/N) of **Timmy**.

The screenshot shows the eWiSACWIS web application interface. At the top, the browser title is "Assessment - Microsoft Internet Explorer provided by DHFS - State of Wisconsin". The application header includes the logo "eWiSACWIS" and navigation links for "TM", "Print", "Spell Check", and "Help".

The main content area is divided into two sections: "Assessment" and "Report".

- Assessment:** Name: Abelmann, Samantha; Assessment ID: 9221418; Status: Open
- Report:** Response Time: Within 24 hours; Date: 09/28/2007

Below these sections are tabs for "Participants", "Basic", "Allegations", "Contacts", and "Results". The "Allegations" tab is active.

The "Allegations" section contains a table with the following data:

Below this table is an "Insert" button. At the bottom of the "Allegations" section, there are two checkboxes: "Independent Investigation" (unchecked) and "Is the alleged victim(s) in Agency legal and/or physical custody" (unchecked). At the bottom right of the page are "Save" and "Close" buttons.

6. Here, for our example, you can also verify there are two Substantiated Maltreaters for A/N of Sally. Click the Close button to return to the Appeal Record.

15. In our example, let's assume both Maltreater Substantiations were Overturned. The following questions would have appeared when saving the very last Overturned Maltreater Substantiation (Step 13 above). Selecting No to these questions indicates that A/N occurred and that it is unknown who did it. Selecting Yes to these questions indicates that A/N never occurred. For our example we will select No to both questions indicating that A/N did in fact occur to both Sally and Timmy - but that we don't know who did it.

16. Because the Abuse or Neglect occurred, the outlier will continue to display the Assessment as Substantiated. The Appeal indicator also remains. Click on the Assessment hyperlink.

17. On the Allegations Tab you will notice that both Samantha and Thomas have been Unsubstantiated as Alleged Maltreaters of **Timmy**. (Done in step 15 above)
