

eWiSACWIS
Technical Activity Workshop & Program Activity Workshop
November 13 & 14, 2007
Plaza Hotel & Suites, Wausau, WI
A G E N D A

November 13, 2007 – 1:00 to 5:00 pm

1:00 pm Welcome (Crystal I & II)
Beth Wydeven

1:15-5:00 pm Help Desk & OPEP Consultations – CGI & OPEP Staff (Marathon I)
CGI - Jennifer Moore/Amare Asegahegn /Robert Salas
OPEP - Michelle Rawlings/David Sorenson/Jenny Fahy
- CGI: Opportunity for counties to discuss individual county program issues.
- OPEP: Opportunity for counties to sign up for 15-30 minute sessions to address specific questions related to eWReports and county data.
There will be a sign-up sheet outside the Marathon I to schedule times on either Thursday afternoon or Friday morning.

1:15-2:30 pm Review of September Release (Crystal I & II)
Rick Miracola
- Highlights of eWiSACWIS September Release 2.9.

ePASS Security (Marathon IV)
Jason Wutt/Deb Rogers
- This session is intended for County Security Delegates and will review using the ePASS application for managing user security in eWiSACWIS.

Overpayments (Marathon II)
Chris Partridge
- This session will provide an overview of the enhancements made to the Overpayment and Overpayment Adjustment process. If possible, there will be an online demo of the new functionality. The session is intended for all financial focused users.

2:30 pm **Break**

2:45-3:45 pm Preview of December Release (Crystal I & II)
Beth Rudy
- A detailed review of the upcoming enhancements and changes that will be occurring on January 7, 2008.

Data Warehouse (Marathon IV)
Iain Robertson/Trina Hageman
- An overview of the current initiatives being implemented for eWiSACWIS. There will be a demo of some Data Warehouse tools and a brief discussion of the future of the eWiSACWIS Data Warehouse.

Financial Interface (Marathon II)
Chris Partridge/Sue Zemke
- This session will provide an overview of the new initiative to automate the eWiSACWIS Financial Interfaces. The topics presented will include an overview of the financial interfaces, the files involved, and some technical components required to implement. **NOTE:** This session is only for counties who currently do not have a bi-directional financial interface and will be primarily targeted to technical staff who will be involved in the county efforts to design, develop, test and implement the new interface.

3:45 pm **Break**

4:00-5:00 pm

ASFA (Crystal I & II)

Nicole Grice/Rick Miracola

- This session will provide direction regarding when and where to document an agency decision to not pursue termination of parental rights when a child has been in out-of-home care for 15 of the last 22 months, and how to provide a court with notice of that decision.

Reports Session (Marathon IV)

Michelle Rawlings/Barry Mickelson

- Review reports issued in the June and September 2007 Releases, and reports currently in the development or enhancement process. Other topics will include an update on the development and implementation of the State/County eWiSACWIS Reports Workgroup and an overview of opportunities for training and technical assistance regarding how to use data from eWiSACWIS reports.

Financial Work Group Meeting (Marathon II) *Financial Workgroup Only*

Chris Partridge & Financial Workgroup Members

- This session is intended for Financial Workgroup Participants and those interested in what the Financial Workgroup is working towards. In this session we will talk briefly about new enhancements and initiatives to come, and then spend the majority of the session setting the stage for our next enhancement efforts.

5:00 pm

End of Day 1

May 18, 2007 – 9:00 am-12:45 pm

9:00 am-12:30 pm Help Desk & OPEP Consultations – CGI & OPEP Staff (Marathon I)

CGI - Jennifer Moore/Amare Asegahegn /Robert Salas

OPEP - Michelle Rawlings/David Sorenson/Jenny Fahy

- CGI: Opportunity for counties to discuss individual county program issues.

- OPEP: Opportunity for counties to sign up for 15-30 minute sessions to address specific questions related to eWReports and county data.

There will be a sign-up sheet outside the Marathon I to schedule times on either Thursday afternoon or Friday morning.

9:00-10:00 am

Independent Living What is coming in eWiSACWIS (Crystal I & II)

Christine Lenske/Beth Rudy

- In response to the Chafee National Youth in Transition Database Rule that is proposed to be published in March of 2008, the way we document Independent Living will be updated in eWiSACWIS. The purpose of this session will be to highlight the upcoming changes expected to be released in June of 2008.

Creating County Ad-hoc Reports (Marathon IV)

Erik Nelson/Sue Zemke

- This session provides a demo on how to create an ad-hoc report using the counties replicated database and the data dictionary. (This is aimed at counties wanting to start using their replicated data to create reports, and are not sure how to go about it). MS Access and Excel will be the tools used for creating the reports.

10:00 am

Break

10:15-11:15 am

eWiSACWIS – “3 Perspectives (Crystal I & II)

Theresa Smyth

- I have used eWiSACWIS as a Social Worker, a Supervisor and with DCFS doing case reviews. I would like to share these different perspectives and the value I have found in eWiSACWIS in these different roles.

Data Quality Initiative Session (Marathon II)

Michelle Rawlings/David Sorenson

- Wisconsin's next federal Child and Family Services Review (CFSR) will occur in during Federal FY 2009. It will be critical for state and county staff to be able to understand and assess our performance in the Federal CFSR outcomes. OPEP will be working with staff and local staff to implement an ongoing data quality initiative to support counties and the BMCW in identifying and correcting data that is critical in meeting state and federal reporting requirements. In this session, OPEP representatives will provide an overview of this process and discuss how it will be used to reinforce the current efforts in maintaining accurate data.

11:15 am

Break

11:30am-12:30 pm HSRS (Crystal I & II)

Jason Wutt/Barry Mickelson

- This session will review the upcoming change to eWiSACWIS that will allow counties to enter HSRS CORE data for their Child Welfare and Juvenile Justice children.

Overpayments (Repeat from Day 1) (Marathon IV)

Chris Partridge

- This session will provide an overview of the enhancements made to the Overpayment and Overpayment Adjustment process. If possible, there will be an online demo of the new functionality. The session is intended for all financial focused users.

Case Notes Wish List (Marathon II)

Facilitated by Jenny Weber

- With the upcoming Targeted Case Management and social work visits requirements, this session will be an opportunity to revisit the existing case note categories and types.

12:30 pm

Closing and Adjourn (Crystal I & II)

Beth Wydeven

- Suggest Future Agenda Items, Green Bay/Fox River Valley area as Next Meeting Location, Other Items
