Date of Incident: 10/23/2025

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On October 23, 2025, the agency received a report regarding a 1-month-old infant who was in out-of-home placement with a non-relative foster home and who was brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. An independent Initial Assessment found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by an unknown maltreater. The agency deemed the infant unsafe, and she was placed in a subsequent non-relative foster home. The case remained open for ongoing case management services.
