Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On March 7, 2026, the agency received a report regarding a 1-year-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. As a result of law enforcement's investigation, the mother's significant other was criminally charged with Child Abuse-Recklessly Cause Great Harm. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the mother's significant other. The agency determined the infant safe, and the infant remained with his mother. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.
