Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On May 16, 2026, the agency received a report regarding an 11-month-old infant involved in an egregious incident where her mother sustained life threatening injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals noted no signs of trauma to the infant. As a result of law enforcement's investigation, the infant's alleged father was charged with Attempt 1st-Degree Intentional Homicide, Domestic Abuse, and Use of a Dangerous Weapon. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency determined that services were not needed. Initially, the infant was deemed unsafe, taken into Temporary Physical Custody and placed with like-kin. Subsequently, the mother was assessed as protective, and the infant remained with the mother. The agency closed the case upon completion of the Initial Assessment.
