

90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 260518DSP-Milw-1458

Agency: Division of Milwaukee Child Welfare

Child Information (at time of incident)

Age: 2 months

Gender: ☒ Female ☐ Male

Race or Ethnicity: Black/African American

Special Needs: None

Date of Incident: 5/18/26

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On May 18, 2026, the agency received a report regarding a 2-month-old infant pronounced deceased in her home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office noted no signs of trauma to the infant; toxicology results are pending. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the infant by the mother. The infant's sibling was deemed safe and remained with the mother. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.

☒ Yes ☐ No Criminal investigation pending or completed?

☐ Yes ☒ No Criminal charges filed? If yes, against whom?

Child's residence at the time of incident: ☒ In-home ☐ Out-of-home care placement

Complete the appropriate following section (A. or B. based on the child's residence at the time of the incident).

A. Children residing at home at the time of the incident:

Description of the child's family (includes household members, noncustodial parent and other children that have visitation with the child and / or in the child's family home):

At the time of the incident, the infant resided with her mother and her 5-year-old sibling. The infant's 13-year-old sibling was living with a relative. The infant's father did not have visitation.

☒ Yes ☐ No **Statement of Services:** Were services under ch. 48 or ch. 938 being provided to the child, any member of the child's family or alleged maltreater at the time of the incident, including any referrals received by the agency or reports being investigated at time of incident?

If "Yes", briefly describe the type of services, date(s) of last contact between agency and recipient(s) of those services, and the person(s) receiving those services:

At the time of the incident, the agency was assessing the March 16, 2026, and March 31, 2026, CPS Reports. The last contact by the agency was with the mother via phone on March 14, 2026.

Summary of all involvement in services as adults under ch. 48 or ch. 938 by child's parents or alleged maltreater in the previous five years: (Does not include the current incident.)

On March 31, 2026, the agency screened-in a CPS Report alleging neglect to the infant and the infant's now 5-year-old and 13-year-old siblings by the mother. The infant died during the assessment period and an additional report was made to the agency regarding the infant's death on May 18, 2026. An assessment of the initial allegations was completed by the agency, and the allegations of neglect were unsubstantiated.

On March 16, 2026, the agency screened-in a CPS Report alleging neglect to the infant by the mother. The infant died during the assessment period and an additional report was made to the agency regarding the infant's death on May 18, 2026. An assessment of the initial allegation was completed by the agency, and the allegation of neglect was unsubstantiated.

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child's family living in this household and the child's parents and alleged maltreater. (Does not include the current incident.)

(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an Initial Assessment, and no further action is required by the agency.)

On March 31, 2026, the agency screened-in a CPS Report alleging neglect to the infant and the infant's now 5-year-old and 13-year-old siblings by the mother. The infant died during the assessment period and an additional report was made to the agency regarding the infant's death on May 18, 2026. An assessment of the initial allegations was completed by the agency, and the allegations of neglect were unsubstantiated.

On March 16, 2026, the agency screened-in a CPS Report alleging neglect to the infant by the mother. The infant died during the assessment period and an additional report was made to the agency regarding the infant's death on May 18, 2026. An assessment of the initial allegation was completed by the agency, and the allegation of neglect was unsubstantiated.

On March 13, 2026, the agency screened-out a CPS Report.

On December 31, 2025, the agency screened-out a CPS Report.

On November 27, 2020, the agency screened-in a CPS Report alleging neglect to the infant's 5-year-old sibling by the mother. An assessment was completed by the agency, and the allegation of neglect was unsubstantiated. The case was closed upon completion of the Initial Assessment.

On February 11, 2026, the agency screened-out a CPS Report.

Summary of any investigation involving the child, any member of the child's family and alleged maltreater conducted under ch. 48 and any services provided to the child and child's family since the date of the incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the infant by the mother. The infant's sibling was deemed safe and remained with the mother. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.

B. Children residing in out-of-home care (OHC) placement at time of incident:

Description of the OHC placement and basis for decision to place child there:

N/A

Description of all other persons residing in the OHC placement home:

N/A

Licensing history: Including type of license, duration of license, summary of any violations by licensee or an employee of licensee or other actions that constitute a substantial failure to protect and promote the welfare of a child.

N/A

Summary of any actions taken by agency in response to the incident: (Check all that apply.)
