Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:
On June 13, 2026, the agency received a report regarding a 1-year-old infant found unresponsive in her home, was taken to the hospital and later pronounced deceased. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office noted no signs of trauma to the infant; the autopsy report is pending. The infant's mother was criminally charged with Neglect of a Child Resulting in Death and the infant's father was criminally charged with Neglect of a Child. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:
The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect of the infant by the mother and the father. The agency deemed the infant's 4-year-old sibling unsafe and initiated a Protective Plan. Subsequently, the infant's 4-year-old sibling was taken into Temporary Physical Custody and placed with relatives. A Petition for Protection or Services was filed, and the case remained open to provide ongoing case management services.
