Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:
On July 13, 2026, the agency received a report regarding an infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. As a result of law enforcement's investigation, the infant's father was criminally charged with Child-Abuse-Recklessly Cause Great Harm. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:
The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect of the infant by the mother and the father and physical abuse of the infant by the father. The agency determined the infant unsafe and initiated a Protective Plan. Subsequently, the infant was taken into Temporary Physical Custody and placed with a relative. A Petition for Protection or Services was filed, and the case remained open to provide ongoing case management services.
