Videos for Wisconsin Child Care Providers to Borrow:

CHILD ABUSE AND NEGLECT PREVENTION

Go to www.ccic.wi.gov and click on the tab Child Care Library for borrowing procedures and a searchable online catalog of all CCIC's audiovisual resources and books.

Text read by a child of an adult's best guess at what the prenate, baby, or toddler sees, feels, and concludes about domestic violence.

By applying the science of early childhood development to decision making, judges can break the cycle of maltreatment that plagues families involved in the child welfare system.

The harsh reality of child abuse and neglect is discussed with professionals who share information regarding the indicators of abuse and neglect, what to do if abuse is suspected, and policies you can put in place to decrease the chance of abuse.

SHAKEN BABY SYNDROME

INFANT CRYING. Ogden, UT: National Center on Shaken Baby Syndrome, 199?. Compact disc, 5 min.

Five minutes of infant crying to use in trainings on Shaken Baby Syndrome.

NEVER SHAKE A BABY! : WHAT PARENTS AND CAREGIVERS NEED TO KNOW. Ottawa: Kiwanis Club, 1998. DVD, 18 min. + 2 fact sheets. You may view Part 1 and Part 2 of this 18-minute video on YouTube.

Promotes SBS prevention through education, coping strategies, and careful child care provider selection.

Personal stories illustrate the consequences of Sudden Infant Death Syndrome (SIDS) and Traumatic Brain Injury (TBI), including Shaken Baby Syndrome (SBS). Gives parents tips for preventing and reducing the risk of child injuries and tragedies. Appropriate for other caregivers such as grandparents, child care providers, babysitters, and non-custodial parents.

A nationally recognized child abuse specialist addresses the injuries that can occur if a baby or young child is violently shaken by a parent or caregiver who reacts in anger and frustration to the infant’s inconsolable crying. She also gives insight into the prevention of this serious form of child abuse.
