

DCF Approved Agencies offering non-credit courses (revised 10/11/2016)

Agencies have been approved for the specific courses listed under the agency name. "Intro" = Introduction to the Child Care Profession; "Skills" = Skills and Strategies for the Child Care Profession; "I/T" = Fundamentals of Infant and Toddler Care; "FCC" = Fundamentals of Family Child Care. Assistant teachers in a group child care center need to complete the Intro course. Teachers need the Intro and Skills courses. Any person who works with children under age 2 in a licensed family or group child care center needs the I/T course and licensed family child care providers must complete both Intro and the FCC courses to meet entry level training requirements. Certified family child care providers may complete Module A of the Intro course and the FCC course to meet the requirements for regular certification. Course titles preceded by SA are courses designed to meet the requirements for a School-age assistant teacher or teacher.
