

Child Care Counts: FIS Provider Registration

FALL 2021

Wisconsin Department of
Children and Families

Why register with FIS?

Fidelity National Information Services (FIS), is Wisconsin's Electronic Benefit Transfer (EBT) card vendor.

Child Care Providers who want to receive subsidy funds from the state of Wisconsin must register with FIS to be able to receive those funds.

For providers who do not yet accept subsidy funds but do want to receive funds from the *Child Care Counts* programs, registering with FIS is the fastest, safest, and most secure means of having those funds directly deposited into your bank account.

About this guide

In order to receive funds from DCF as Electronic Funds Transfer, you must do the following as part of your FIS Provider Registration.

This guide contains information to help you with that first-time set-up, or with updating your Fidelity National Information Services (FIS) Provider information.

These instructions are intended for:

- New providers **who do not currently receive subsidy funds from the state**
- Existing providers whose **information on file with FIS is up to date**
- Existing providers **who are registered with FIS and need to update their bank account information**

First-Time FIS Provider Registration

FIS PROVIDER REGISTRATION

- If you are not currently set up with FIS, you will receive a Provider Welcome Letter from DCF, and **you are encouraged to begin your registration process right away.**
- You will need your FIS Provider ID. This is found in the **Provider Portal header.**
- Include your Tax Identification Number (TIN). Future annual 1099K documents will be sent to you from FIS.
- Submit your checking account number. Payments from Electronic Funds Transfer go directly into your checking account.
- Your **FIS Provider ID** is also available on the New Provider Welcome Letter (see next page).

Welcome New Child Care Provider

The Wisconsin Shares Child Care Subsidy Program assists eligible working parents with child care expenses. The Wisconsin Department of Children and Families has implemented a new payment process called MyWICildCare (MWCC). MWCC puts the power of paying for child care services into the hands of parents through the MyWICildCare EBT card.

The State of Wisconsin Department of Children and Families has contracted with Fidelity National Information Services (FIS) to help to achieve our Electronic Benefit Transfer (EBT) program goals. New Wisconsin child care providers who wish to accept Wisconsin Shares authorizations are required to have a FIS Provider Agreement in place so that electronic funds may be transferred directly into your bank account.

The MyWICildCare card allows parents enrolled in Wisconsin Shares to transfer state subsidies electronically for fast, easy payments to child care providers.

FIS identifies providers by the below FIS Provider ID that is specific to your business. This ID is needed to complete the FIS Provider Agreement. Please keep this letter for future reference.

Your FIS provider ID is D217957.

The FIS Provider Agreement is located online at <http://www.ebtedge.com>. Visit the FIS website and select the child care provider section. Select Complete your Contract or Register Online. Follow the instructions to complete the FIS contract. If you need help with the contract, call FIS at 1.800.894.0050 between 8 a.m. and 5 p.m. CST Monday-Friday.

If you have questions about Wisconsin Shares Child Care Subsidy Program, contact your local child care agency during regular business hours.
