	37044	Wireless Router Linksys VELOP Whole Home Mesh Wi-Fi System WHW0101	Experience flawless, full-strength mesh WiFi. Easy to set up and designed to fit anywhere, this ultra-fast, full-strength mesh WiFi can be set up in minutes. Featuring Intelligent Mesh technology and a sleek, modular design, the mesh WiFi system spreads strong WiFi through any kind of home. Mesh WiFi that learns from you. From the moment you set up your WiFi mesh network, Intelligent Mesh Technology gets to work adapting this system to your home. If someone accidentally unplugs a node, the other nodes will pick up the slack. Even with a busy network, this router knows how to select the clearest channel for your devices. Using a single node will act as a wireless router. Adding additional nodes will enable the Mesh WiFi System, allowing users connectivity throughout the house, essentially as access points allow. Includes one router.	\$118.48	1 year
