Agregar personas al CCPP (Portal para proveedores de cuidado infantil)

Este módulo permite a los proveedores de cuidado infantil ingresar empleados actuales y potenciales y miembros del hogar para iniciar el proceso de verificación de antecedentes.

Si en la lista no figura una persona que haya trabajado en el programa durante el periodo de financiamiento, debe agregarla mediante este módulo si desea que dicha persona sea considerada para el financiamiento.

Las personas no podrán ser agregadas hasta que tengan elegibilidad preliminar de una verificación de antecedentes en el archivo.
