Text messages to boost your child's learning

Welcome to Ready4K! The Wisconsin Department of Children and Families is excited to give you this FREE resource to help your child stay on track with their learning goals all year long.

How does Ready4K help my child learn?

Ready4K texts you 3 easy-to-do learning tips and activities each week. Each text message you will get is written for your child's age or grade. Research shows that doing Ready4K activities is a great way to help your child stay on track.

Ready4K tips **build on your daily routines**, like activities to use when getting dressed, during bath time, or when preparing a meal. No internet, extra time, or special materials are required.

You'll also receive links to **Wisconsin resources** that many Wisconsin families find helpful.

What do I need to do?

As a Wisconsin family, your child's school will enroll you in the program.

There's **absolutely no cost**, though data & message rates may apply. You can opt out anytime by texting STOP to 70138.

Questions? Contact the program director at your child's school for more details.
