# Ratios Pilot and Enhanced Payments Pilot

The **Ratios Pilot** and the **Enhanced Payments Pilot** are programs for **licensed group child care providers**. The pilot programs expand capacity across Wisconsin's child care industry by helping providers serve more infants and toddlers.

## Ratios Pilot

The Ratios Pilot aligns Wisconsin with other peer states, enabling **licensed group providers** to implement a ratio of 1:7 for children 18-30 months of age. This means providing care for **seven toddlers per staff member** in at least one classroom. To become certified in the Ratios Pilot, group child care programs must have:

- At least 35 square feet of usable floor space per child (see DCF 251.06(7)(a)) in the classroom to accommodate the increased ratios
- Enough qualified staff in each classroom
- Adequate licensed capacity
- Adequate equipment and furnishing (e.g., toys, cots/cribs/playpens, chairs, tables, utensils)

## Enhanced Payments Pilot

The Enhanced Payments Pilot offers per-child payments for **infants and toddlers** that have a **Wisconsin Shares** authorization. Monthly payments under the Enhanced Payments Pilot are per-child payments for children who:

- Are enrolled at a **licensed group child care program** that is **certified in the Ratios Pilot** for at least one classroom (*the child does not have to be in the classroom that is implementing 1:7 ratios*)
- Are 0-30 months old
- Have an active **Wisconsin Shares Authorization**

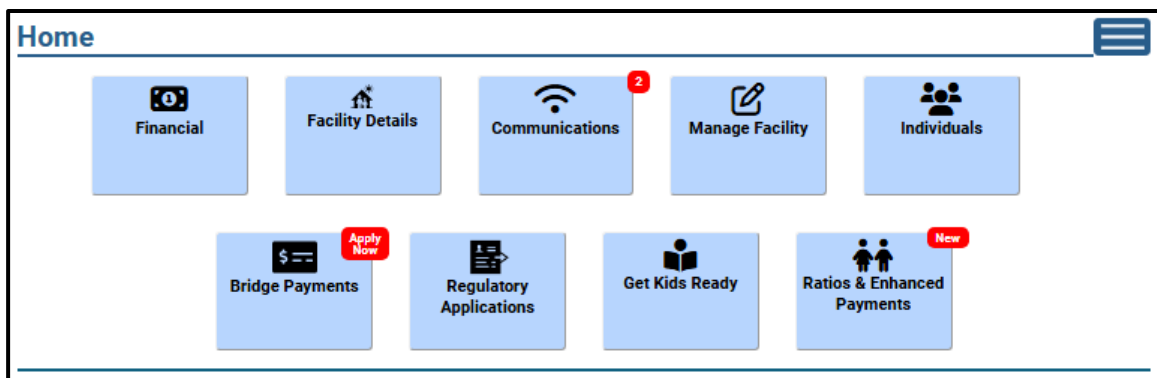

**Additional information** on the Ratios and Enhanced Payments Pilots can be found here: [\*\*Ratios Pilot and Enhanced Payments Pilot\*\*](#).

# Pilot Certification on CCPP

To participate in the Ratios Pilot and/or Enhanced Payments Pilot you must complete your pilot certification through your [Child Care Provider Portal \(CCPP\)](#) account.

The **CCPP** is a secure website, available 24/7, where regulated Wisconsin child care providers can manage their child care business. View user guides on our website for more information: [Child Care Provider Portal User Guides](#).

If you do not have access to the [Child Care Provider Portal](#), you can request access and log in following [these instructions](#). The instructions are also available in this [short video](#).

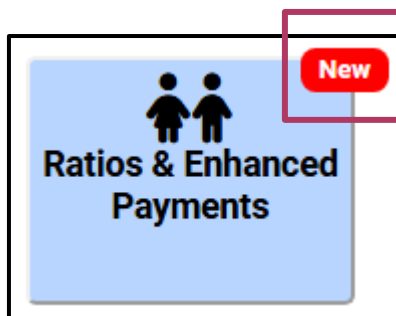

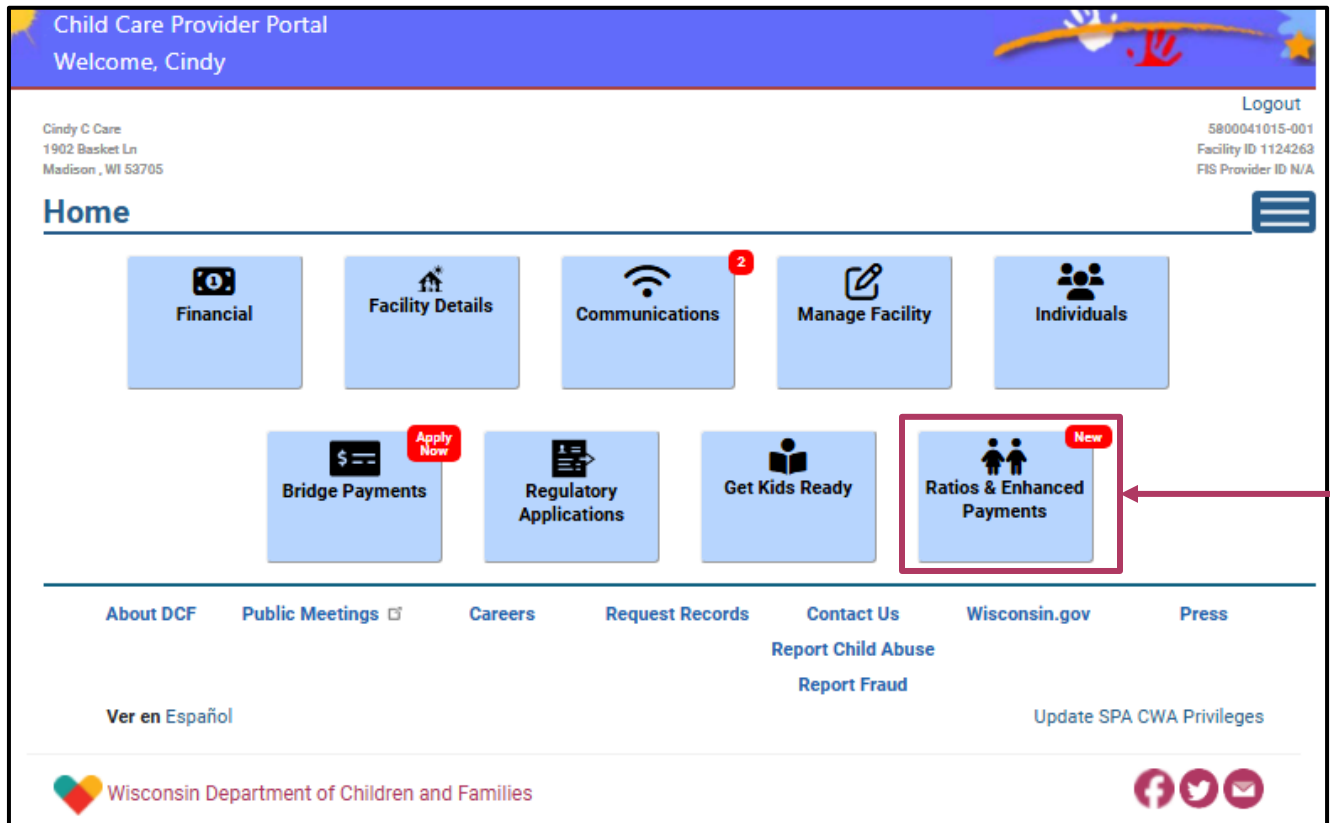

**Note:** The information in the **DCF Child Care Provider Portal** is **confidential**, and everyone using this system **must follow confidentiality guidelines**.

Here are **confidentiality guidelines** that **all registered users must follow**:

1. Only those with a User ID and security access to CCPP should be viewing information on CCPP. Each person authorized to use CCPP should have their **own User ID**.
2. Registered users should **not share a User ID/Password** with anyone. Remember that you are responsible for keeping your **User ID and Password secure**.

# Ratios Pilot Certification on CCPP

For a licensed group provider to participate in either pilot program, they **must certify participation** in the **Ratios Pilot**. To begin, select the Ratios & Enhanced Payments button.

The red **New** bubble on the upper right to the Ratios & Enhanced Payments button is only temporarily in placement to attract attention towards the pilot programs. If this does not appear when starting, or still appears after submitting certification, it does not affect your status in the pilots. The button can continue to be used throughout your participation.

# Certification Page

After selecting the Ratios & Enhanced Payments, the **Ratios Pilot and Enhanced Payments Pilot Certification** page will open.

The upper section of the page provides information on the pilot programs and has a link for additional information on the Ratios and Enhanced Payments Pilots.

Beneath that section is where you can certify your participation with the **Ratios Pilot** and where you select an option for the **Enhanced Payments Pilot**. Let's take a closer look at both of those.
