### Discussion Questions

- What work that you heard about are you most excited about? Why?
- How does the system we are building connect to your organization's goals and your work? How could we work together?
- What would you like to create to support families and early childhood programs?
- How can our innovative collaboration be strengthened? Are there other external allies who we should invite to collaborate?
- What advice can you offer for strengthening our evidence-based and equity-focused approaches?
- What questions or goals do you have for LCEY going forward? What impact would you like to have in 2022?
