

First Children's Finance

Wisconsin community members are invited to join the child care conversation!

Child care impacts all of us; employers, employees, volunteers, parents, grandparents- no matter your role - child care access impacts your community. Without access to high-quality child care programming, communities will struggle to achieve their full potential. Join First Children's Finance to discuss best practices to engage your community and address the child care shortages happening in EVERY Wisconsin county.

ALL WI residents are invited to participate in this state-wide webinar series.
