Child Information (at time of incident)

Age: 6 Weeks Gender: Female Male

Race or Ethnicity: Black/African American

Special Needs: none

Date of Incident: 10/01/2016

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On October 1, 2016, the agency received a report regarding a 1 month-old infant admitted to the hospital in a life-threatening condition. Medical staff diagnosed the infant with injury due to suffocation. The infant was pronounced deceased on October 3, 2016. Law enforcement was contacted and initiated a criminal investigation into the infant's death. The Medical Examiner's Office completed report noted no signs of maltreatment or trauma to the infant. No criminal charges have been filed in this case, but the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of evidence to substantiate neglect of the infant by the infant's mother. The infant's 3 year-old sibling was deemed unsafe, taken into Temporary Physical Custody, and placed in a relative's home. A Child in Need of Protection or Services petition was filed and the case remained open to provide ongoing case management services.

FOR DSP COMPLETION IF RECORD OR ON-SITE REVIEW WAS UNDERTAKEN:

Summary of policy or practice changes to address issues identified based on the record or on-site review of the incident:

Under the Child Welfare Disclosure Act (Section 48.981 (7)(cr), Stats.), the DSP completes a 90-Day review of the agency's practice in each case reported under the act. A further practice review has been completed for case # 160227DSP-MILW-649. As a result of this review process, the DSP determined the agency implemented changes to improve the consistency and quality of safety practices, including booster training for all Initial Assessment staff, and internal procedure to ensure safety is reviewed and managed until case closure.

Recommendations for further changes in policies, practices, rules or statutes needed to address identified issues based on the record or on-site review:

Based on the agency's effort and response to this incident and DSP review, no further policy, practice, or statutory changes are recommended.
