Child Information (at time of incident)

Age: 1 year Gender: Female Male

Race or Ethnicity: Black/African American

Special Needs: None

Date of Incident: 01/10/2017

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On January 10, 2017, the agency received a report regarding a 1-year-old infant brought to the emergency room due to vomiting. Medical professionals who examined the infant identified significant injuries consistent with physical abuse, including bruising and rib fractures in various stages of healing, abdominal injuries and facial bruising. Law enforcement was contacted and initiated a criminal investigation regarding the infant's injuries. The law enforcement investigation is pending.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by an unknown maltreater. Medical professionals who examined the infant identified significant injuries consistent with physical abuse, including bruising and rib fractures in various stages of healing, abdominal injuries and facial bruising. The infant and his siblings were deemed unsafe and the agency implemented a Protective Plan to provide in-home safety services and the children remained in the home. The case remained open to provide ongoing case management services.
