Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On September 23, 2018, the agency received a report regarding a 2-year-old child pronounced deceased in her home from injuries allegedly sustained on September 13, 2018. Law Enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office determined the injuries were non-accidental in nature; toxicology results are pending. As a result of Law Enforcement's investigation, the mother was arrested and criminally charged with 1st-Degree Reckless Homicide and Neglecting a Child (Consequence is Death). A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse and neglect to the child by the mother. The Medical Examiner's Office determined the injuries were non-accidental in nature. The child's 1-year-old twin siblings were deemed unsafe, taken into Temporary Physical Custody, and placed in a non-relative foster home. Child in Need of Protection or Services Petitions were filed and the case remained open to provide ongoing case management services.
