Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On December 17, 2018, the agency received a report regarding a 4-year-old child pronounced deceased as the result of injuries allegedly sustained on December 14, 2018. Law enforcement was contacted and initiated a criminal investigation. Medical personnel determined the injuries were consistent with a gunshot fatality. As a result of law enforcement's investigation, the father was arrested and criminally charged with 2nd Degree Felony Child Abuse. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with a jurisdiction from another state, law enforcement and medical personnel to complete the initial assessment. The Initial Assessment completed by the jurisdiction from another state found a preponderance of the evidence to substantiate neglect of the child by the mother and father. The child's siblings were determined to be unsafe, taken into Temporary Physical Custody and placed in a non-relative foster home. A Petition for Protection or Services was filed and the case remained open to provide ongoing case management services.
