Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On March 27, 2021, the agency received a report regarding a 1-year-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. As a result of law enforcement's investigation, the infant's father was criminally charged with Child Abuse – Recklessly Cause Harm and Neglecting a Child. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse and neglect of the infant by the father and neglect of the infant by the mother. The infant and the infant's 2-year-old half-sibling were deemed unsafe, taken into Temporary Physical Custody, and upon discharge from the hospital were placed with a relative. Child in Need of Protection or Services orders had previously been issued for the infant and the sibling on September 3, 2020, and the case remained open to provide ongoing case management services.
