On October 1, 2021, the agency received a report regarding a 1-year-old infant brought to the hospital with multiple injuries that were believed to have been sustained on September 30, 2021. The infant was subsequently pronounced deceased on October 4, 2021. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's office determined the death to be non-accidental. As a result of law enforcement's investigation, the mother's boyfriend was criminally charged with Physical Abuse of a Child-Reckless Cause Great Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:
