

6-Month Final Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 231203DSP-Port-1278

Agency: Portage County Health and Human Services

Child Information (at time of incident)

Age: 6 months Gender: ☐ Female ☒ Male

Race or Ethnicity: White/Japanese Hispanic/Latino

Special Needs: Infant had complex physical care needs

Date of Incident: 12/03/2023

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On December 3, 2023, the agency received a report regarding a 6-month-old infant brought to the hospital with serious injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. Medical professionals determined the injuries were non-accidental in nature. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by an unknown maltreater and neglect of the infant by the infant's mother and father. The infant and the infant's sibling were deemed unsafe, taken into Temporary Physical Custody, and placed in a non-relative foster home. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.

☒ Yes ☐ No Criminal investigation pending or completed?

☐ Yes ☒ No Criminal charges filed? If yes, against whom?

Child's residence at the time of incident: ☒ In-home ☐ Out-of-home care placement

Complete the appropriate following section (A. or B. based on the child's residence at the time of the incident).

A. Children residing at home at the time of the incident:

Description of the child's family (includes household members, noncustodial parent and other children that have visitation with the child and / or in the child's family home):

At the time of the incident, the infant resided with her mother, father and 1-year-old sibling.

☒ Yes ☐ No **Statement of Services:** Were services under ch. 48 or ch. 938 being provided to the child, any member of the child's family or alleged maltreater at the time of the incident, including any referrals received by the agency or reports being investigated at time of incident?

If "Yes", briefly describe the type of services, date(s) of last contact between agency and recipient(s) of those services, and the person(s) receiving those services:

At the time of the incident, the agency was assessing the November 30, 2023 CPS Report. The last contact by the agency was a visit in the home with the mother, father, the infant, and the infant's 1-year-old sibling on December 1, 2023.

Summary of all involvement in services as adults under ch. 48 or ch. 938 by child's parents or alleged maltreater in the previous five years: (Does not include the current incident.)

On November 30, 2023, the agency screened-in a CPS Report alleging neglect of the infant by the mother and father. The infant sustained a serious injury during the assessment period, and an additional report was made to the agency regarding the infant's injury on December 3, 2023. An assessment of the allegation was completed by the agency, and the initial allegations of neglect were unsubstantiated.

On July 24, 2023, the agency screened-in a CPS Report alleging neglect of the infant by the mother and father. An assessment was completed by the agency, and the allegation of neglect was unsubstantiated. The case was closed upon completion of the Initial Assessment, and the family was referred to community services.

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child's family living in this household and the child's parents and alleged maltreater. (Does not

include the current incident.)

(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an Initial Assessment, and no further action is required by the agency.)

On November 30, 2023, the agency screened-in a CPS Report alleging neglect of the infant by the mother and father. The infant sustained a serious injury during the assessment period, and an additional report was made to the agency regarding the infant's injury on December 3, 2023. An assessment of the allegation was completed by the agency, and the initial allegations of neglect were unsubstantiated.

On July 24, 2023, the agency screened-in a CPS Report alleging neglect of the infant by the mother and father. An assessment was completed by the agency, and the allegation of neglect was unsubstantiated. The case was closed upon completion of the Initial Assessment, and the family was referred to community services.

On May 24, 2023, the agency screened-out a Services Report.

Summary of any investigation involving the child, any member of the child's family and alleged maltreater conducted under ch. 48 and any services provided to the child and child's family since the date of the incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. Medical professionals determined the injuries were non-accidental in nature. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by an unknown maltreater and neglect of the infant by the infant's mother and father. The infant and the infant's sibling were deemed unsafe, taken into Temporary Physical Custody, and placed in a non-relative foster home. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.

B. Children residing in out-of-home care (OHC) placement at time of incident:

Description of the OHC placement and basis for decision to place child there:

N/A

Description of all other persons residing in the OHC placement home:

N/A

Licensing history: Including type of license, duration of license, summary of any violations by licensee or an employee of licensee or other actions that constitute a substantial failure to protect and promote the welfare of a child.

N/A

Summary of any actions taken by agency in response to the incident: (Check all that apply.)

FOR DSP COMPLETION IF FURTHER REVIEW WAS UNDERTAKEN:

Summary of policy or practice changes to address issues identified based on the review of the incident:

Under the Child Welfare Disclosure Act (Section 48.981(7)(cr), Stats.), the Department of Children and Families' (DCF) Division of Safety and Permanence (DSP) completes an initial review of the agency's practice for each case reported under the Act. A further practice review has been completed for case #231203DSP-Port-1278. As a result of this review process, the DSP did not determine policy or practice changes were needed.

Recommendations for further changes in policies, practices, rules or statutes needed to address identified issues based on the review:

Based on the agency's effort and response to this incident and DSP review, no further policy, practice, or statutory changes are

recommended.

☒ Yes ☐ No ☐ Not Applicable This 6-Month summary report completes the Division of Safety and Permanence (DSP) action on this case.
