Date of Incident: 7/9/12

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On 7/9/12, the agency received a report regarding the death of a 2-year-old child as a result of injuries sustained when he was run over by a vehicle driven by the child's father, who was estranged from the child's mother. The mother was with the child outside her home and was injured by the vehicle. After hitting the mother and child, the child's father exited the vehicle and began stabbing the child's mother. Law enforcement responded and arrested the father at the scene. He has been criminally charged with three counts of 1st Degree Intentional Homicide and one count of Stalking – Result in Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency substantiated physical abuse to the child by his father. The agency collaborated with law enforcement to complete the assessment. It was determined that the child's father intentionally hit the child and his mother with his vehicle, causing the child's death. The child's father was reportedly angry after seeing the child's mother with another man. The child's mother described her relationship with the child's father as becoming increasingly abusive, which led to her decision to end the relationship.
