**Case Tracking Number:** 130501DSP-Pier-322      **Agency:** Pierce County Department of Human Services

**Child Information** (at time of incident)

Age: 5 Months      Gender:  Female  Male

Race or Ethnicity: White/Caucasian

Special Needs: None

**Date of Incident:** May, 1 2013

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On May 1, 2013, the agency received a report regarding a five month old infant with a significant brain injury. The infant was transported to a larger hospital via ambulance. At the time of the report, the parents offered no explanation as to the cause of the injury. The infant was admitted to the Pediatric Intensive Care Unit with significant brain injury at the time of the initial referral. The infant was diagnosed with a subdural hematoma by non-accidental trauma. The infant's father reported that when he picked the child up from day care and described the child as unresponsive. The father brought the child to the hospital within 30 minutes of leaving the daycare facility. Criminal Charges have not been filed.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the county agency found a preponderance of evidence to substantiate physical abuse to the child by the child's day care provider. The agency determined the child was safe in the care of his parents. A Child in Need of Protection or Services petition was not filed in this case and the case was closed.
