

## 90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

**Case Tracking Number:** 130906DSP-Burn-365      **Agency:** Burnett County Department of Health and Human Services

**Child Information** (at time of incident)

Twin males, ages 4  
weeks and a 3 year old

Age: female      Gender:  Female  Male

Race or Ethnicity: American Indian

Special Needs: None reported

**Date of Incident:** September 6, 2013

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On September 7, 2013, the agency received a report of a car accident, which occurred on September 6, 2013, and three children were seriously injured. The mother was driving while intoxicated with a blood alcohol level of .242. The mother lost control of her vehicle and hit a tree. The twin four-week-old infants suffered head injuries. They were airlifted to the hospital and admitted to the pediatric Intensive Care Unit. The three-year-old female was taken to the hospital and was admitted and diagnosed with a concussion. The mother was charged with three counts of Cause Injury/OWI (Passenger<16 Years) and three counts of Cause Injury-Operating w/PAC-Passenger as well as Failure to Keep Vehicle Under Control and Operating a motor vehicle without insurance. The mother eventually pled guilty to one count of Cause Injury/OWI (Passenger<16 Years).

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the county agency found a preponderance of evidence to substantiate physical abuse to all three children, by the children's mother. The agency determined the children unsafe and took temporary physical custody and placed them with relatives. A Child in Need of Protection or Services petition was filed with juvenile court and the case was opened with the agency for on-going case management services. The children were returned to the care of their mother on October 7, 2013.

**FOR DSP COMPLETION ONLY:**

**Summary of policy or practice changes to address issues identified during the review of the incident:**

Under the Child Welfare Disclosure Act (Section 48.981(7)(cr), Stats.), the DSP completes a 90-day review of the agency’s practice in each case reported under the Act. The DSP completed an incident review in case #130906DSP-Burn-365. The review found: The Child Protective Services (CPS) report dated September 7, 2013 and the corresponding Initial Assessment and safety assessment were not completed in accordance with standards. In addition, the case transition process was not conducted according to standards.

The plan implemented by the county agency includes a review of the CPS Access, Initial Assessment, and On-going standards and discussions on safety assessment during regular intervals with employees who complete protective or safety plans within their scope of work.

**Recommendations for further changes in policies, practices, rules or statutes needed to address identified issues:**

None

Yes  No  Not Applicable This 90-day summary report completes the Division of Safety and Permanence (DSP) review of this case.

If the case review was not completed within 90 days, the DSP will complete and submit the final summary report within 6 months.

This 90-Day Summary Report was previously delayed. DSP did determine that releasing the summary report would jeopardize an ongoing

criminal/civil investigation/proceeding, and delayed posting as provided under Wis. Stat. [§ 48.981\(7\)\(cr\)7](#).
