Child Information (at time of incident)

Age: 3 Months Gender: Female Male

Race or Ethnicity: African American/Black

Special Needs: None

Date of Incident: 04/02/2015

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On April 2, 2015, the agency received a report regarding a 3 month old infant brought to the hospital with second degree burns over a significant portion of the infant's body. Medical professionals who examined the child also suspected abusive trauma due to the child's presenting symptoms. Law enforcement was contacted and initiated a criminal investigation regarding the child's suspicious injuries. Upon further medical evaluation the infant was found to have healing rib fractures.

As a result of law enforcement's investigation, the infant's father was arrested, criminally charged, and convicted of Child Abuse-Recklessly Cause Great Harm and Neglecting a Child.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the infant's father. The Initial Assessment completed by the agency also found a preponderance of the evidence to substantiate maltreatment of physical abuse to an unknown maltreater. The infant was deemed unsafe and taken into Temporary Physical Custody. Upon discharge from the hospital, the infant was placed in a treatment foster home. The infant's father was criminally charged and court ordered to have no contact with the infant. A Child in Need of Protection or Services petition was filed and the case remained open to provide ongoing case management services.
