Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On April 13, 2015, the agency received a report concerning two children, ages 13 and 12 years old, regarding physical abuse. Law enforcement was contacted and initiated a criminal investigation regarding the child's suspicious injuries. As a result of law enforcement's investigation, the mother was arrested and criminally charged with multiple counts of Physical Abuse of a Child, Intimidation of a Victim, Child Neglect and Causing Mental Harm to a Child. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to both of the children by their mother. Medical professionals determined that the children had multiple injuries that were consistent with physical abuse. The children and their siblings were deemed unsafe, taken into Temporary Physical Custody, and placed with relatives. A Child in Need of Protection or Services petition was filed and the case remained open to provide ongoing case management services.
