Race or Ethnicity: White, Hispanic/Latino

Date of Incident: 4/30/16

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On April 30, 2016, the agency received a report regarding a 6 month old infant who was brought to the hospital with head injuries. Medical professionals who examined the infant suspected head trauma due to the infant's presenting symptoms. Law enforcement was contacted and initiated a criminal investigation regarding the infant's suspicious injuries. Medical personnel diagnosed the infant with Physical Abuse-Abusive Head Trauma.

As a result of law enforcement's investigation, the mother's boyfriend was arrested and criminally charged with 1st Degree Recklessly Endangering Safety and Neglecting a Child (Consequence is Great Bodily Harm). A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the mother's boyfriend. Medical professionals determined the infant sustained head injuries and diagnosed the child with Abusive Head Trauma.

The infant and his sibling were deemed unsafe. The infant was taken into Temporary Physical Custody, and placed in out-of-home care with a relative. The infant's sibling is now in his father's custody. A Child in Need of Protection or Services petition was filed and the case remains open to provide ongoing case management services
