Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On May 23, 2016, the agency received a report concerning an infant with multiple injuries. Medical personnel confirmed the injuries to be non-accidental in nature. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the infant's aunt's boyfriend was arrested and criminally charged with Child Abuse - Intentionally Cause Great Bodily Harm, and Child Abuse-Recklessly Cause Great Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

Another agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the other agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the infant's aunt's boyfriend. The infant was deemed unsafe and taken in to Temporary Physical Custody. After discharge from the hospital, the infant was placed in a foster home. The infant's aunt's boyfriend was criminally charged and court ordered to have no contact with the infant. The case remained open to provide ongoing case management services.
