**Date of Incident:** 03/18/2017

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On March 18, 2017, the agency received a report regarding a 9-month-old infant pronounced deceased in her home. Law Enforcement was contacted and initiated a criminal investigation into the infant's unexplained death. The Medical Examiner's Office report noted no signs of trauma to the infant. The official cause of the infant's death was undetermined by the Medical Examiner's Office; toxicology results are pending. As a result of law enforcement's investigation, the mother was arrested for 2nd Degree Reckless Homicide. No criminal charges have been filed. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect of the infant by the mother. The cause of death was undetermined by the Medical Examiner's Office. The infant's siblings were deemed unsafe, taken into Temporary Physical Custody, and placed in out-of-home care with relatives. A Child in Need of Protection or Services petition was filed and the case remained open to provide ongoing case management services.
