90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 170512 – DSP-MILW-720  Agency: Division of Milwaukee Child Protective Services

Child Information (at time of incident)
Age: 1 month  Gender: ☑ Female  ☐ Male
Race or Ethnicity: African American/Black
Special Needs: None

Date of Incident: May 11, 2017

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:
On May 12, 2017, the agency received a report regarding a one-month-old infant pronounced deceased in her home on May 11, 2017. Law Enforcement was contacted and initiated a criminal investigation into the infant’s unexplained death. The Medical Examiner’s Office noted no signs of maltreatment or trauma to the infant; toxicology results are pending. No criminal charges were filed and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:
The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the infant by the biological mother. The Medical Examiner's Office noted no signs of maltreatment or trauma to the infant. The agency determined the infant's one-year-old sister to be safe and she remained in the home with the mother. The agency closed the case upon completion of the Initial Assessment and no service referrals were made.

☑ Yes  ☐ No  Criminal investigation pending or completed?
☐ Yes  ☑ No  Criminal charges filed?  If yes, against whom?

Child’s residence at the time of incident: ☑ In-home  ☐ Out-of-home care placement

Complete the appropriate following section (A. or B. based on the child’s residence at the time of the incident).

A. Children residing at home at the time of the incident:

Description of the child’s family (includes household members, noncustodial parent and other children that have visitation with the child and / or in the child’s family home):
At the time of the incident, the infant resided with her mother and one-year-old sister. Paternity has not been established.

☐ Yes  ☑ No  Statement of Services: Were services under ch. 48 or ch. 938 being provided to the child, any member of the child’s family or alleged maltreater at the time of the incident, including any referrals received by the agency or reports being investigated at time of incident?

If “Yes”, briefly describe the type of services, date(s) of last contact between agency and recipient(s) of those services, and the person(s) receiving those services:
N/A

Summary of all involvement in services as adults under ch. 48 or ch. 938 by child’s parents or alleged maltreater in the previous five years: (Does not include the current incident.)
None

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child’s family living in this household and the child’s parents and alleged maltreater. (Does not include the current incident.)
(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an initial assessment, and no further action is required by the agency.)

None
Summary of any investigation involving the child, any member of the child’s family and alleged maltreater conducted under ch. 48 and any services provided to the child and child’s family since the date of the incident:
The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the infant by the biological mother. The Medical Examiner's Office noted no signs of maltreatment or trauma to the infant. The agency determined the infant's one-year-old sister to be safe and she remained in the home with the mother. The agency closed the case upon completion of the Initial Assessment and no service referrals were made.

B. Children residing in out-of-home care (OHC) placement at time of incident:

Description of the OHC placement and basis for decision to place child there:
N/A

Description of all other persons residing in the OHC placement home:
N/A

Licensing history: Including type of license, duration of license, summary of any violations by licensee or an employee of licensee or other actions that constitute a substantial failure to protect and promote the welfare of the child.
N/A

Summary of any actions taken by agency in response to the incident: (Check all that apply.)
- Screening of Access report
- Protective plan implemented
- Initial assessment conducted
- Safety plan implemented
- Temporary physical custody of child
- Petitioned for court order / CHIPS (child in need of protection or services)
- Placement into foster home
- Placement with relatives
- Ongoing Services case management
