Child Information (at time of incident)

Age: 3 months Gender: Female Male

Race or Ethnicity: White, Caucasian

Special Needs: None

Date of Incident: 6/8/2017

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On June 8, 2017, the agency received a report regarding a 3-month-old infant brought to the hospital with head injuries. Medical professionals who examined the infant suspected head trauma due to the infant's presenting symptoms, and the infant was transported to another hospital. Law enforcement was contacted and initiated a criminal investigation regarding the infant's suspicious injuries. Medical professionals determined that the injuries were indicative of physical abuse. As a result of law enforcement's investigation, the father was arrested and criminally charged with Felony Child Abuse- Intentionally Cause Great Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the father. Medical professionals determined the infant's injuries were indicative of physical abuse. The infant and her twin sibling were deemed unsafe, taken into Temporary Physical Custody, and placed in foster care with a relative care provider. The other children in the home were deemed safe and remained in the home with the infant's grandmother and grandmother's husband. A Child in Need of Protection or Services Petition was filed and the case remained open to provide ongoing case management services.
