Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On November 30, 2017, the agency received a report regarding a 1-year-old infant brought to the hospital with head injuries. Medical professionals determined the infant's injuries were consistent with non-accidental head trauma. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the infant's unlicensed childcare provider was arrested and criminally charged with Child Abuse – Recklessly Cause Great Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by her unlicensed childcare provider. The agency closed the case upon completion of the Initial Assessment.
